"Working with STP was the best! Their knowledge and pedagogical approach meshed perfectly with my own learning style, and their "let's make it happen" attitude gave me the competitive edge needed to score well on the SAT. Thanks to STP, I'm now headed to Stanford University which is widely recognized for having the lowest acceptance rate of any school in the country!"

Payment Options

Pay As You Go (PAYG)

Pay for lessons **after** you attend them.

Lessons are automatically charged to your credit/debit card every Monday.

Prepaid 10-Hour Package

Pay for lessons **before** you attend them.

Pay upfront and a credit of 10 hours is applied to your account.

Workshops

Pay a deposit to secure your spot and then the remaining balance the first day of class.

Note on Packages: You will receive an email alert when your package is low (2 sessions remaining). Once sessions are exhausted, you will automatically switch to PAYG unless you request another package. You have a two week window to alert us to renew a package.

You must pay the Prepaid 10-hour package in FULL, before the 10-hour credit will be applied to your account.

Making Payment

We accept payment via debit/credit card.

When you sign up for tutoring with us, you will be asked to provide your card details which are stored on our secure payment platform. All details are confidential, are not visible, and are deleted from our system once tutoring has ceased.

Our billing system is 100% automated and relies on payment via debit/credit card.

Sorry, but we do not offer other payment options.

STP HELPS PARENTS AND STUDENTS SAVE TIME WITH A TRANSPARENT, AUTOMATED BILLING SYSTEM.

ALL LESSON RECORDS, INVOICES, AND PAYMENT RECEIPTS ARE STORED IN YOUR TEACHWORKS ACCOUNT

We have a weekly billing cycle

If we use imaginary dates:

- The billing cycle runs from Monday 1st - Sunday 7th
- On Monday 8th, you are billed for all lessons that took place between the 1st - 7th

Lesson Rescheduling & Cancellations

To reschedule or cancel a session, contact your tutor directly at least 24 hours in advance of the session. If you reschedule or cancel a session with less than 24 hours' notice, you may be charged the full cost of a tutoring session.

If I cancel a lesson, will there be a makeup?

Yes! We strongly encourage students who cancel a lesson to arrange a time to make it up with their tutor. Consistency is key and it is easy to lose momentum when you take off a whole week.

What if I'm taking a Workshop?

Our cancellation policy does not apply to workshop students. If you're taking a workshop and need to miss a class, you can access video lessons and assignments in Google Classroom and/or you can schedule a 1:1 makeup session at your tutor's current rate.

What if I'm in a Group of 2?

If you are in a group of 2 and you need to cancel, then the other person in your group will simply pay the full rate for 1 student for that session.

FAQs

1. Are there contracts?

There are no contracts to sign! If you are not 100% satisfied, you can cease tutoring at any time! If you would like to change tutors for any reason, this can also be organized for you. Please contact us directly at info@strategicprep.com.

2. Can I switch from PAYG to Prepaid?

Yes! You may do this at any time, simply contact us at info@strategicprep.com to have your billing settings changed. You can also switch from Prepaid to PAYG as well.

3. Why do you only accept weekly students?

You receive the most benefit from our tutors via weekly tutoring. We simply do not believe we can do our students justice or achieve optimal results through casual tutoring. We love to have dedicated students on board because we are just as dedicated to you!

4. How do I access resources and STP discounts?

We will provide you with resources as needed during your sessions. You may receive a discount for purchasing a 10-session tutoring package upfront as well.

5. Can I pay by cash or check?

No, sorry! Our billing system is 100% automated and relies on direct debit via credit/debit card. Automatic billing helps keep our processes running smoothly and ensures our valuable tutors get paid on time.

5. What is the minimum number of lessons I have to attend?

There isn't a minimum per se, but we only accept students who are looking for a long-term commitment (i.e. 3-6 months before an upcoming SAT). We simply do not believe we can do our students justice or achieve optimal results through short-term tutoring.

Termination of Tutoring & Refund Policy

Please contact your tutor directly to cancel any upcoming sessions (remember, you need to give them at least 24 hours notice or charges may apply). Next, notify STP by emailing us at info@strategicprep.com.

PAYG Students

You must notify STP at least two weeks before your last lesson. Failing to do so will result in a cancellation fee (equivalent to 1 PAYG hour).

Any unpaid lessons will be billed as per usual at the end of the current weekly billing cycle.

Prepaid 10-Hour Package Students

Any unused balance will be refunded, minus the full price of 1 PAYG hour. Any hours previously used on the current package will be charged at PAYG price.

You will be refunded at the end of our current weekly billing cycle. Once processed, refunds can take 5-10 business days to reach your account.

If there is not enough credit remaining to pay the PAYG lessons + termination penalty, no refund will be given.

Workshop Students

All sales are final for workshop students. Deposits are non-refundable. We ask for at least 1 week notice as a courtesy, should you determine you are unable to take the class and are forfeiting your spot.
